Our dancers are hard at work learning their routines for our upcoming Summer Recital "Let's Go To The Movies".

As a result, the majority of our dance classes will be unavailable until July 2012.

However, we are opening some fun **Spring Classes** that will be available to all our new dancers. All classes will open with 3 or more students.

*These classes are Recital Classes with space for new students. Dancers who enroll in these classes will NTO be participating in Recital, but will be learning the routine.
